ANA LIFFEY DRUG PROJECT

# LOW-THRESHOLD<sub>1</sub>

“By low threshold we mean that the barriers to availing of our services are kept as low as possible.”

Ana Liffey Drug Project

# LOW-THRESHOLD<sub>2</sub>

By providing inclusive services, with the minimum of rules, Low Threshold Services are able to maintain relationships to build trust with people who use drugs and who have complex needs; and they can proactively promote healthier choices.

# ANA LIFFEY'S LOW-THRESHOLD SERVICES

- We provide services in the Dublin and Midwest Regions. Our frontline services include:
  - Outreach on the streets, into homes, into parks, etc.
  - The 'Vana Liffey' outreach mobile unit.
  - Inreach into Private Emergency Accommodation.
  - Case Management Services.
  - Key working and brief interventions.
  - Outreach Needle and Syringe Programs.
  - Nursing services (on-site and in-reach) .
  - Law Engagement & Assisted Recovery (LEAR) program.
  - Prison groups and visits.
  - Stabilisation groups.

The background is a solid yellow color with a subtle gradient. It is decorated with several realistic water droplets of various sizes, scattered primarily in the corners. The droplets have highlights and shadows, giving them a three-dimensional appearance.
