Rise at the Cove social enterprise employs those in Tiglin's care and giving them an opportunity to work and to integrate in the community.

In June of 2021, the President of Ireland, Michael D. Higgins opened the then newly refurbished transitional housing Tiglin Carraig Eden in Greystones, Co. Wicklow

Tiglin's aftercare process is a strong link in maintaining integration and sobriety; input from other agencies is vital.

Fad Saoil sauna is at the Carraig Eden doorstep, this service is available to our residents
